Dear Parents and Guardians:

While your child attends LDI, we also offer two great programs for parents!

Have you ever asked yourself these questions:

How can I talk to my kids? How do I get beyond one-word answers? How can I help my child set goals and follow through with them?

If you need answers, then plan to attend a fun, interactive, casual workshop called **Learning Together!**

Learning Together is a daylong workshop for parents, guardians and teachers during the week of your child's program. The goal of this Wednesday\* workshop is to help adults learn how to communicate more effectively with their children. While your child is in class, you will meet with other adults, starting at 10:00 and finishing at 3:00. A \$20 per person donation (\$30 per couple) covers the cost of workshop materials, lunch, dinner and snacks.

We also invite all parents/guardians to our **Visitors' Night** evening program. The evening program is scheduled for Wednesday from 5-7pm.\* The evening program is a great chance for you to take a tour, eat an "all you can eat" spaghetti dinner and participate in activities with your child. A \$5.00 per person donation covers the cost of dinner. (There is no additional dinner charge for Learning Together participants.)

By the end of the day, you will:

- Strengthen your parenting skills
- Get to know other parents and teachers in your community
- Learn about the LDI curriculum
- Have meals with your child and attend activities together.

If you have any questions, please call the LDI office at 563-5712.

Sincerely,

Bob Grant  
Director

\*If your child's program is less than five days, please check with your child's school about dates for your Learning Together workshop and Visitors' night.
