P.O. Box 169
Nobleboro, Maine 04555

Dear Henry:

I have recently been contacted by Richard A. Barker, of Auburn, ME. Mr. Barker wished to share the positive experience he had while attending the Camp Kieve-Wavus Veterans Camp. Mr. Barker described the kinship and bonding he shared with other veterans while at the camp, and described how it helped him in his personal healing process.

I would like to commend your organization on the dedication and sacrifice that makes this camp possible. It is great to hear that community partners are willing to join the Department of Veterans Affairs in looking at unconventional ways to help our nation's veterans heal. I thank you for the devotion of time, manpower, and expenses that you contributed to help make this possible. If there is anything that I may do to assist your organization in the future, please feel free to contact me.

With warmest regards,
